

VEHICLE, PLANT & EQUIPMENT HIRE

Interwaste currently operates in excess of 150 pieces of rolling plant and equipment from its' various depots countrywide. If logistically feasible this plant and equipment, including yellow plant and waste handling equipment, is available for hire. Specialist items such as tub grinders, shredders and power sieves are also available and rental agreements can be arranged on daily, monthly, and longer term full maintenance contracts.

Contact Interwaste for full information on which vehicles, plant and equipment is currently available for hire in your geographic region.

For further information on our wide range of products and services or for details on our operational centres throughout southern Africa please contact Head Office.
